This doesn't have to be a professional video! Don't worry too much about the background, lighting, what you're wearing, etc. We just want to get to know you, how you feel you can contribute to a design crew, your experience and leadership qualities. Feel free to be creative!

VIDEO INTRODUCTION GUIDELINES

Please include the following information in your video. Feel free to include any other information you feel will help us get to know you.

- Your first and last name and grade
- Tell us about any previous theatre experience (where, when, acting, backstage or production, etc.)
- What is your favorite theatre experience?
- Which crew (costume, hair, or makeup) are you most interested in and why?
