All over the world
Everybody got the word
Everybody everywhere is gonna feel tonight!

(claps)

London, Hamburg, Paris, Rome

I solve my problems and I see the light
We got a lovin' thing, we gotta feed it right
There ain't no danger we can go too far
We start believing now that we can be who we are
Grease is the word

They think our love is just a growing pain
Why don't they understand, it's just a crying shame
Their lips are lying, only real is real
We stop the fight right now, we got to be what we feel
Grease is the word

Grease is the word, is the word that you heard
It's got a groove, it's got a meaning

Grease is the time, is the place, is the motion
Grease is the way we are feeling

We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now that we can be who we are
Grease is the word
Grease is the word, is the word that you heard
It's got a groove, it's got a meaning

Grease is the time, is the place, is the motion
Now, grease is the way we are feeling

This is a life of illusion
Wrapped up in trouble
Laced with confusion
What are we doing here?

We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now that we can be who we are
Grease is the word

Grease is the word, is the word that you heard
It's got a groove, it's got a meaning

Grease is the time, is the place, is the motion
Now, grease is the way we are feeling.

(Music Break)

Grease is the word, is the word that you heard
It's got a groove, it's got a meaning

Grease is the time, is the place, is the motion
Now, grease is the way we are feeling

Grease is the word... Is the word... Is the word... Is the word, Is
the word, Is the word...

XANADU

R:

<https://www.youtube.com/watch?v=osxBDJlIdSJ0&list=PLFqJh6TBzN7yi2wNgWilwu9FRzPkSHPbB&index=9>

Solo:

A place where nobody dared to go
The love that we came to know
They call it Xanadu

ALL: (The tears you cried, they're really mine!)

Solo:

And now, open your eyes and see
What we have made is real
We are in Xanadu

ALL: (It's all for you. You're dreams come true!)

ALL:

A million lights are dancing and there you are, a shooting star
An everlasting world and you're here with me, eternally

ALL:

Xanadu,
Xanadu,
Now we are here
in Xanadu

Solo:

Xanadu, your neon lights will shine - for you, Xanadu!

ALL:

The love, the echoes of long ago

You needed the world to know
They are in Xanadu

ALL: (Try not to cry – The dream is mine.)

The dream that came through a million years
That lived on through all the tears
It came to Xanadu

ALL: (The dream is in you – yeah, they all are for you!)

Solo:

A million lights are dancing and there you are, a shooting star

ALL:

An everlasting world and you're here with me, eternally

Xanadu,

Xanadu,

Now we are here
in Xanadu

Solo:

Now that I'm here

Now that you're near in Xanadu!

All:

Now that I'm here

Now that you're near...

(Slow – Big Ending!)...

in Xan – a- du, Xanadu -oo, oo

BEAUTIFUL CITY – GODSPELL

Solo:

Out of the ruins and rubble
Out of the smoke
Out of our night of struggle
Can we see a ray of hope?
One pale thin ray - reaching for the day

Solo:

We can build a beautiful city
Yes, we can
Yes, we can

Solo:

We can build a beautiful city
Not a city of angels
But we can build a city of man.

Solo:

We may not reach the ending
But we can start
Slowly but truly mending
Brick by brick - heart by heart
Now, maybe now, we start learning how.

Solo:

We can build a beautiful city
Yes, we can
Yes, we can

Solo:

We can build a beautiful city

Not a city of angels
But we can build a city of man.

(Bridge)

Solo:

When your trust is all but shattered

Solo:

When your faith is all but killed

DUET:

You can give up - bitter and battered,

ADD SOME (slowly...):

Or you can slowly start to bui -- ld...

ALL:

A Beautiful City

Yes, we can

Yes, we can

We can build a beautiful city

Not a city of angels

Solo:

But finally... a city of man.

A city of man

DANCING QUEEN

P: <https://www.youtube.com/watch?v=UBDBCwjasD0>

R: <https://www.youtube.com/watch?v=9XQglw8kIOQ>

ALL:

(Music intro)

Ooh, You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Solo/Duet:

Friday night and the lights are low
Looking out for a place to go
Where they play the right music, getting in the swing
You come to look for a king

Solo/Duet:

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance

ALL:

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

(music)

Solo/Duet:

You're a teaser, you turn 'em on
Leave them burning and then you're gone

Solo/Duet:

Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance

ALL:

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Digging the dancing queen

See that girl, watch that scene
Digging the dancing queen!!
