About the VOCAL Audition

Record yourself performing a short (one verse/one chorus) cutting of a Broadway song that you love and best shows off your voice and vocal range.

Remember to state your name and grade at the beginning of your video and tell us the title of your song.

Make sure your lighting and sound are appropriate – we want to see and hear you clearly. Do a test run before you hit record! Please use a karaoke or piano track as your accompaniment.

You should be able to emotionally connect with your song. It should have a beginning, middle, and end (resolution). Commit to the emotional core of the song (excited, scared, bereft, etc.) and act it out in your video.

Email if you have questions, and remember, HAVE FUN! We can't wait to see and hear your amazing talent!

Submit the link (Google file, Vimeo or YouTube) **to your vocal audition video by August 25th** to minnetonkatheatre@minnetonkaschools.org

About the Dance Audition

Our Choreographer Miss Jenny will post a short dance combination here <http://www.minnetonkatheatre.com/auditions> on August 15th for you to review and learn/practice.

You should practice and learn the dance at your own pace.

On September 4th you will perform the dance live on our stage. You should do your best to have the dance memorized by this day.

Don't be afraid of the dance. We are looking for you to show off your personality not necessarily your brilliant dance technique. So, whether you are a trained ballerina or never had a dance class in your life... YOU ARE WELCOME HERE!
