

MAMMA MIA AUDITION MONOLOGUES

Monologue #1

Listen... It's been great, really. You're very special. But I should tell you this is not going anywhere. It's not you. It's me. You're a real sweet person and I, just, I don't want you to get hurt. You know what I mean? I know we've been dating for three weeks, and you're looking for someone to get serious with... but that's not me. I'm just not ready for - serious. Trust me, I'm really not ready!

Monologue #2

When I was sixteen, I thought by twenty-three, I would be married, maybe have a kid... corner office by day, entertaining at night. I was supposed to be driving a Grand Cherokee by now! Now I have my sights on twenty-nine, because thirty is just way too... apocalyptic. Sometimes it feels like no matter how much success I have; it all won't matter until I find the right partner. I don't know. Do you get that? Am I crazy?

Monologue #3

I'm not going to let you hurt me. I'm not going to let you tell me that I don't love you. God knows I'm not perfect because enough people in this house told me so tonight. But I am not going to be a doormat for all the frustrations and unhappiness that you want to lay at my feet. I am sorry that you feel "unloved", and I will do everything I can to change it, but I will never go back to being that frightened, helpless person that I had become. Never!
